1. At the request of [REDACTED] PIC, the procedures for the handling of [REDACTED] materials are referenced above in order to clarify some misunderstandings which have arisen. References A, B, and C above deal with the handling of Cuban Photography and materials generated therefrom.

With the issuance of the attached document I noted that this office mistakenly issued two documents labeled COMOR-D-24. Furthermore, the basic document (TCS-8109-60) has not been included in the 24 series. You are requested to make the following changes:

1. TCS-8109-60 should be COMOR-D-24.
2. TCS-8202-60 should be COMOR-D-24/1.
3. TCS-8202-60/A should be COMOR-D-24/2.
